be supported.

About us:

"Let us then approach the throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need." Hebrews 4:16

We invite patients, newly diagnosed, in the treatment stage, or in remission, survivors, their spouses and caregivers to join us. You will meet people like yourself who have gone boldly through the journey of living with cancer and share in each other's hope.

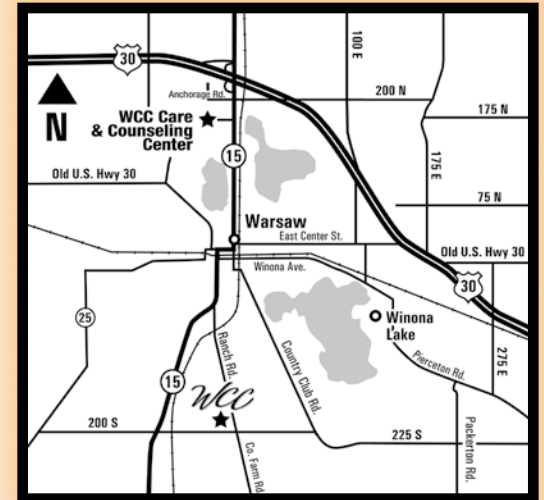

Those in attendance may feel free to share their experiences and ask questions in a setting of trust and acceptance among others who are traveling the same path.

The goal is to connect people with each other and with valuable information. We seek to offer support and hope as we glorify the Lord through this outreach.

*"Cast your cares on the Lord
and He will sustain you..."
Psalms 55:22*

Who we can benefit:
